4-Compartment
Mobile Browser

Freeform & Round
Browser Tables

2-Tier Pull-Out Browsers

ColorScape Picture Book Browsers

A unique line of library furniture, ColorScape incorporates "pops of color" throughout to brighten the atmosphere and attitudes of those in the space. Rich maple wood veneers, colorful laminates and coordinated shelving and seating combine to create refreshing, enriched environments.

Our ColorScape Picture Book Browsers add a touch of color and playfulness to any kids area. They are just the right height for our favorite little readers to flip through and see book covers to make a selection. Tables are offered in 3 fun shapes: Freeform, Round, and Square. Concealed casters on 4- and 6-Compartment browsers and book cubbies on both sides provide maximum capacity and versatility! 2-Tier Pull-Out Browsers feature a lower shelf that glides out to reveal the hidden picture books near the floor.

Dimensions:

	Height	Width	Depth
■ 4-Compartment Browser	30"	28"	28"
■ 6-Compartment Browser	30"	41 ½"	28"
